GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Energy Department – Proposal for setting up of 20TPD Compressed Bio-Gas plant at Arasada Village, Vangara Mandal, Vizianagaram District by M/s. PVS Group. – Approval for establishing the project – Orders – Issued.

==========

ENERGY (POWER.II) DEPARTMENT

G.O.MS.No. 64 Dated: 28-07-2025

Read the following:

1. Proposal of M/s. PVS Group vide Lr. No. Nil, dt.29.05.2025.
2. From the Vice Chairman & Managing Director, New and Renewable Energy Development Corporation of Andhra Pradesh (NREDCAP), vide letter No. NREDCAP/CBG/ PVSGROUP/2025 dated 09.07.2025.

***

O R D E R:-

Government of Andhra Pradesh (GoAP) is focused on creation of green economy and thriving ecosystem for Integrated Clean Energy across the value chain, through a robust framework to attract investments, thereby contributing to India's Renewable Energy growth and driving action in mitigating climate change.

2. To achieve and lead the country's goals of net zero, the GoAP has formulated "Andhra Pradesh Integrated Clean Energy Policy, 2024" for attracting clean energy investments and notified vide G.O.Ms.No:37, Dt. 30.10.2024 of Energy (Power-II) Department.

3. The policy aims to add over 160 GW of renewable energy capacity, with a potential to attract investments worth ~INR 10,00,000 Crores, thereby generating an estimated employment for 7,50,000, both direct and indirect. The policy will propel Andhra Pradesh to become a clean energy hub and contribute towards self-economic reliance. Under the policy, it is proposed to encourage both large scale and decentralised Renewable Energy generation in the State.

4. Andhra Pradesh is an agrarian economy, with 62% of its population dependent on agriculture. The prospective increase in the production of agricultural commodities such as sugarcane, broken rice, maize, sugar beet, sweet sorghum, corn, cassava, etc., along with initiatives like "Clean Andhra Pradesh (CLAP)" for waste management through public participation, provides significant scope and impetus for establishment of Biofuel plants (bioethanol, biodiesel, bio-CNG/Compressed Biogas (CBG), etc.) in the State. Additionally, as one of the top crude oil consuming states, Andhra Pradesh has immense potential for Biofuel production to meet blending targets with petrol or diesel.

5. In order to realize India's vision of increasing the use of biofuels in the energy and transportation sectors, the Government of Andhra Pradesh has considered certain incentives to promote production and attract potential investors in industries manufacturing Biofuels such as ethanol, bio- CNG/Compressed Biogas (CBG), etc., in the State, under the A.P Integrated Clean Energy Policy 2024.

6. In the reference 1st read above, M/s. PVS Group have submitted proposal for setting up of 20 TPD Compressed Biogas (CBG) Plant at Arasada Village, Vangara Mandal, Vizianagaram District.

7. The proposal of M/s. PVS Group has been placed before State Investment Promotion Board (SIPB) meeting held on 17.07.2025. The SIPB has taken the following decisions:

a. SIPB has agreed for according approval for establishing of 20TPD Compressed Biogas plant at Arasada Village, Vangara Mandal, Vizianagaram District to M/s. PVS Group under AP Integrated Clean Energy Policy 2024.
b. SIPB has agreed for the request of M/s. PVS Group for extending incentives as per AP Integrated Clean Energy Policy 2024.

8. Government after detailed examination of the proposal of M/s. PVS Group in consultation with various stakeholders, has further issued orders as follows;

a. Approved for setting up of 20TPD Compressed Biogas (CBG) Plant by M/s. PVS Group at Arasada Village, Vangara Mandal, Vizianagaram District under AP Integrated Clean Energy Policy 2024.
b. Extending of incentives as per AP Integrated Clean Energy Policy 2024.
c. All fees and charges as per the AP Integrated Clean Energy Policy 2024 shall be paid by M/s. PVS Group.
d. Eligible grants if any from MNRE/Central Government may be considered for extending to the proposed project as per the policies of Govt. of India without any financial commitment from Govt. of AP.
e. The project shall be completed within 24 months as per the provisions of Andhra Pradesh Integrated Clean Energy (APICE) Policy 2024.

9. The Revenue Department/ Industries & Commerce/ APTRANSCO/ APEPDCL shall take necessary action accordingly pertains to their issues.

10. The Vice Chairman & Managing Director, New and Renewable Energy Development Corporation of Andhra Pradesh, Tadepalli shall take further necessary action accordingly.

(BY ORDER AND IN THE NAME OF GOVERNOR OF ANDHRA PRADESH)

K. VIJAYANAND
SPECIAL CHIEF SECRETARY TO GOVERNMENT
